

Come One Come All that are Called to Participate

The Arc Net Crystal Prepared by the Immortal Siddha Papa Bogar, was be formally Welcomed to the US on November 1, 2014.

The Arc Net in 'Men In Black III' protected the Earth from outside invasion. Our Papa's Arc Net is a series of alchemically filled 8 sided Quartz Crystals deployed to many countries across the planet Earth. They link together and radiate out throughout each country. The Arc Net Placement is supportive in the individually Awakening process of and for the people. Each One Is Unique and Awakens at a precise and important way to fulfill a Life Purpose. The Arc Net Crystal Grid is a Gift from the Immortals supporting & inspiring all human residents of our planet as it moves toward the Golden Age. The Immortal Siddhas, all of them from every tradition & religion are with us; they Love Us and They are closer than they appear.

Many children came and many children were first to welcome the American Crystal.

The Kalabhairava-Ashtakam Mantra was played because the fiercest force of destruction is with us now. Each One participating held the Arc Net Crystals then turned and embraced the One behind them, one by one. The Crystal was passed from child to child and then from child to adults until all that want to hold the Crystal did so.

So many Celestial Being were present, it truly made the hairs on our arms stand at attention as chills run up and down our spines! What a Beautiful and Magnificent Blessing and Gift to All!
