

A few weeks ago after meditation Swaha noticed a bag of folded papers on a shelf. Curious, Swaha Thought. Upon examination the papers were without any making which is pretty much always done when Swaha packages Sapphire, Pearl, Ormus, Gold Basmam! Upon comparing the color & hue of the white powder to all the Ormus collected in 2014 it was concluded it was different. Upon showing the powder to several very psychic friends it was concluded the Maha Siddhas have showered us in the West with a new Gift. Wow!! This is for those that have taken the Sapphire Basmam, Pearl Basmam, RED Capsules of Maha Siddha Herbs from the Siddha Loka.
