Sunday July 13 at 10:00AM.**

**The attached article came to SwahaRon yesterday as someone asked to explain Ormus and how it works. It has proven to be quite enlightening to me as the information came!**

**Love to have all who are called to participate in the Ormus collection. Currently we are sitting for guidance as to what color/kind of salt to collect the July Ormus in! If you have a hit let me know please!!! If you want more Navapashanam Elixir bring water, as much as you like; it's Free.**

**Please come either in person or in Spirit. If you want off this email list let me know. If in the Future you want back on that is ok also.**

**In 2014 all Ormus Collections have given Ormus like material that is way different from what was given in 2013 and way different from any accountings of the Ormus collected on the internet! So what is going on? For me it appears to be the Maha Siddhas and other Higher Beings allowing the flow of Divine Energy to come into our presence during the Ormus Collection Ritual! Please see attached description of the active energy in the 2014 Ormus that has been collected, the cost and the Free Ormus.**
