

A Magical Evening with Swaha Ron

Monday, September 09, 2013 - 7 -9 p.m.

Hello,

We want to share something rare, exciting, uplifting, and magical with you in an intimate evening with a great storyteller and explorer.

Our speaker, Swaha Ron, also known as Ron Holman, PhD, is an Ambassador of Maha Siddha Herbal Alchemy. Traveling through India frequently since 1995, Dr. Ron has been seeking the secret to spontaneous remission of disease, to bring home to his lifelong partner, Linda. In the process of his search, he began spending long hours in meditation, which eventually lead him to realized masters. In 2011 Swaha connected with the Siddha Masters of South India. The Siddha Masters are highly evolved humans who are capable of supernatural, miraculous, occult abilities, known as "Siddhas" or "powers" that are beyond the concept or belief capacity of most people. Currently, there are Siddha Masters living in the jungles of Southern India who have lived thousands of years. They can revitalize a dead body, fly, and heal. They have discerned from Nature formulas for alchemical medicines that can save lives, even though some of the component ingredients are poisons.

Swaha Ron was selected to be an Ambassador of many ancient Siddha wonders, and has brought back to America Siddha Alchemy in the form of Navapashanam Beads, Maha Siddha Herbs and Maha Siddha Basmam. When Navapashanam is dipped in water, the water is "charge", creating a Siddha Elixir; that has been known to some as the 'fountain of youth'. Ron will share some of his many magical stories of his India travels and experiences, and welcomes an interactive exchange, with Questions and Answers.

He will gift everyone who comes with some Navapashanam Elixir, sample of Ormus Navapashanam Elixir and Maha Siddha Herbs for those that say Yes without Questions.

Come and listen, be lifted and inspired by the mystery and magic of the Siddhas and their Herbal Medicine, now being Experienced Inn the West for the first time.
